**COMPANY PROFILE & EXECUTIVE SUMMARY**

VanderSpuy Cape Town, built upon pillars of ethics and integrity, prides itself as one of the most respected firms in the Western Cape. The roots of the firm can be traced as far back as the late 1800's when the law firm was opened in Paarl.

In the early 1970's, Van der Spuy & Partners opened a branch office in Cape Town. In 1995 the Cape Town office became a separate independent law firm, also operating as Van der Spuy & Partners. The Cape Town Van der Spuy & Partners flourished and grew to the extent that an office was opened in Bellville to effect accessibility and efficient service to our clients from the northern suburbs. In 1999 the firm became an incorporated company, Van Der Spuy & Partners (Cape Town & Bellville) Incorporated, and now practices under the name VanderSpuy Cape Town.

VanderSpuy Cape Town conducts business from its two offices, one in the centre of Cape Town and the other in the Tyger Valley business district. The company enjoys close ties with reputable firms in all the major cities in South Africa and is in association with AntwerpLaw of Belgium. The company's client base consists of a wide spectrum of both corporate and non-corporate clients.

**Mission Statement**

The company upholds a strong ethic of hard work, integrity and fairness to clients and staff alike. It is large enough to provide a full suite of services to clients, yet small enough for attention to individual detail. In 2003 the company received a national award for excellence in service.
